## **The Object of Rotary**

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to service society;

Third. The application of the ideal of service by every Rotarian to his personal, business and community life.

Fourth. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

---

### **ROTARY GRACE**

O, Lord Thou giver of all good,  
We thank Thee for our daily food,  
May Rotary friends and Rotary ways  
Help to serve Thee all our days.

### **FOUR WAY TEST**

Is it the Truth?  
Is it fair to all concerned?  
Will it build goodwill and better friendships?  
Will it be beneficial to all concerned?

---

### **ADVANCE AUSTRALIA FAIR**

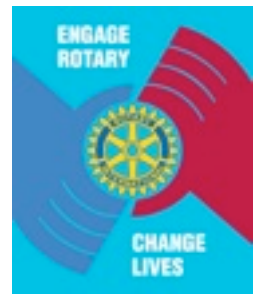

Australians all let us rejoice  
For we are young and free  
With golden soil and wealth for toil  
Our home is girt by sea  
Our land abounds in nature's gifts  
Of beauty rich and rare  
In history's page let every stage  
Advance Australia Fair  
In joyful strains then let us sing  
Advance Australia Fair

## President's Report

It was good to get back to Rotary last Wednesday and I appreciated the comments of being missed.

We started with Rotary Grace by Peter Micheletti and a welcome to members and a welcome to Bill Waller who will be inducted tonight. We also welcomed to the club Jonathon Davis Executive Director of Central Coast Community College and we hope to see more of him in the future.

Glen Scorer spoke briefly on BWSC Ag Farm, Peter spoke on RYPEN and Kevin spoke on his time off with Bruce Croft filling in but Kevin reminded us that we must apologize for meetings we can't attend and if we don't we will be charged for the meal.

Tom O'Connor filled in for the sergeant's session and in his usual way held a good fines session.

As the guest speaker who we had lined up did not attend I quickly informed the club as to how I had spent the last nine weeks – In hospitals for about three weeks then on to Coonabarabran for a week to recouperate then on to Lightning Ridge, St George, Roma, Dalby, Toowoomba, Warwick, Glen Innes, Tamworth then home it was a good trip good to get away but also good to get home.

I reminded the club of the Changeover date being 25<sup>th</sup> June and Woy Woy Club's Changeover on Friday 13<sup>th</sup> June.

RED SHIELD APPEAL is on this weekend Sunday 25<sup>th</sup> May.

A few of us attended the Bar-B-Que at Masters at West Gosford on Sunday– it was very slow at first but by about 10.30 it picked up then when we had a changeover of workers about 12 it was fairly busy – a report will be made tonight on the day.

A Board Meeting was held on Monday night and we realize the Rotary year is quickly coming to an end.

Tonight we have as our guest speaker Hannah Rossington from Medicare Local. This should be an interesting meeting with all the claims made by us lately

Our last meeting was to be on **Camp Breakaway** and cannot be reported because Dawn Caplan could not attend our meeting again.

We appreciated that **Clyde** was chairing the meeting and looking so well. So well, indeed, that I, unjustly, felt that he was kidding us, so that he could duck around the country from Coonabaraban, Kiama, Kempsey or even Timbuctoo. His summing up later proved it was not so, but complicated, very serious and still so, with continuing tests.

To the left--we see Clyde on top table. Others show the seating of the members awaiting the meal. No guest speaker, so reporting only general business. Clyde welcomed our two guests, **Bill Waller and Jonathon Davis**- seated between Mike and Peter. **Bill**, now is an unofficial member, but soon to be official. **Jonathon** is Ex Dir of CCCommunity College at Ourimbah and willing to talk to the club on his work.

**Treasurer Kevin** with LOA for hospital operation and recuperation, appointed Bruce Croft in his place with "NO APOLOGY, YOU PAY." So don't argue with Bruce.

**Robert Meyer** has the Masters BBQ and sausages under control for the full day

**Tom O'Connor** OK with Red Shield.

Our last meeting was to be on **Camp Breakaway** and cannot be reported because Dawn Caplan could not attend our meeting again.

The then, coming Monday, the 19th, was appointed for Board Meeting at Clyde's place Pamona Road.

It was announced that **CHANGEOVER** will be held at **EVERGLADES**.

Top two photos shows **Mike** as a fine collector instead of being secretary.

**Glen Scorer** gave more Agfarm information, seeing Louisa on Friday with **\$5000 Cheque**, and receiving her emotional appreciation. **Louisa** had information of their successes at Royal Show and another recent event. Glen also had to obtain **BWSC** approval for us to send out sponsorship letters to business people.

Peter M. said something about Muna and Ripen and had to explain to our quests the import of those abbreviations.

Clyde gave a brief but complicated story of his existence over the past several weeks.

Most of you would know by now I will be in hospital on 21 May2014, for about five to six days and will be out of action for approx. four to five weeks. Bruce Croft will be collecting the weekly dinner fees and doing the banking. Also Bruce will be looking after the catering numbers which is a thankless job. so I stress if you have not apologised for a weekly meeting by Tuesday 12 noon and do not attend the meeting we will have to pay the kitchen for the meal. therefore you will be asked to pay. Thanking you in advance for your help. **KEVIN'S OFFICIAL TREASURER'S NOTICE.**

Løkken 2. maj 2014

Dear Geoff W. Melville

Thank you very much for your letter and your lovely and kind words. We were very surprised. Your letter made us very happy, proud and we were very touched.

- Thank you for taking your trouble.

It is very special to "give" your child away for a year - You hope he will do well, behave, fit in, liked or even loved by the Schoolmates, families etc. You do not know and you cannot control/cannot interfere if something does not work out.

We believe Kristoffer has done a good job. He has a lot of friends and he is very busy - this is a good sign we think.

We did talk to Kristoffer a few days after or even the day he returned from this weekend. He was so happy, has had a great time and did talk a lot about his stay at your house and the things you did together.

He showed us the book with pictures that you gave him - very happy and very proud. His stay at your house and your time together, I am sure, was special to Kristoffer - he enjoyed it. He also told us that he looks forward to meet you again at the conference. You made a difference - thank you.

We do not know if Kristoffer showed and told about Løkken, but he asked me to send this little present... a copy of the bath houses - sights of Løkken.

I send you some pictures as well, do not know if Kristoffer had the time to show you his photos and video from Løkken - a very small town at the western coast of Denmark. A lot smaller than Empire Bay.

Kristoffer has made a blog in AU - some is now in english. But a lot of pictures.

[Kristoffer.larsen-ledet.com](http://Kristoffer.larsen-ledet.com)

finally we want to thank the Rotary Organization, your club and all the very nice and lovely Australians for doing such a great job for our child/children.

It is amazing.... i think we have something to learn.

We have traveled in Australia two times - we loved the Nature, and especially the Australian hospitality and humor.

We miss Kristoffer extremely ....Counts down every day :-)

Kristoffer he does not want to come back home.

One picture from his safari make me think he has transformed into an AUSSIE - not surprised but a little frightened.... :) Kristoffer will go one day - to live and stay in AU.

Best wishes for you and your family.

Warm regards

Lena, Villy and Celine

Mr Clyde Marshall  
President  
The Rotary Club of Umina Beach  
PO Box 3103  
Umina Beach  
NSW, 2257

5<sup>th</sup> March 2014

Dear Mr Marshall,

I write to enquire as to whether the members of the Rotary Club of Umina Beach would be interested in learning more about the national eHealth record system and how they can register for their own eHealth record.

As the enclosed brochure details, the national eHealth record is a free Australian Government program that enables individuals to have access to their key medical information online. The information that can be stored in an eHealth record includes current medications, a summary of an individual's medical history, as well as a record of any allergies and immunisations.

If an individual gives permission this information can be accessed when needed by Health Professionals anywhere in Australia; for example, if someone visits a doctor who is not their usual GP the key information about their health can be made available to that doctor helping them to get better healthcare.

As the eHealth record is an opt-in system Central Coast NSW Medicare Local is contacting organisations across the Central Coast to provide more about the eHealth record and help people to register for their own record.

The eHealth team is able to support your members in a variety of ways. Some of the methods that have been well received by other organisations include; a presentation at a regular meeting, articles in a newsletter, a morning tea presentation and questions and answer session, having a stand at an existing event. The eHealth team are also fully trained in assisting people to register for their own eHealth record.

If your members would be interested in finding out more about the eHealth record please contact me by phone (02 4365 2294) or email ([hannah@ccnswml.com.au](mailto:hannah@ccnswml.com.au)) and I will be happy to discuss it further with you.

Yours sincerely,
