Well done PP Glen Scorer for a very professional presentation of our Pride of Workmanship Awards. All the Awardees were so well supported by their nominators and work associates. This became more important when we realised we had 12 apologies with members away or not able to attend.

Our nominators this year were Cec Bucello from Ducks Crossing Publications with Kaitlin Watts; PP Pat Lewis, Chairman of Youth Connections with Maggie MacFie; Rose Mondal from Baker's Delight, Umina Beach with Makaela Thomlinson; Melinda Dempsey, Executive Care Manager with Peninsula Village with Kate Simpson; Jackie Bennett, Executive Operations Manager with Peninsula Village with Vicki Page and Michelle Johnson, Area Manager with Aldi Stores with her nominee Kim Strang.

A reminder that more Humanity in Motion books are available if you can place them in an outlet that enjoys reasonably high traffic.

Our new Brochures, printed by Josh from Peninsula Office Supplies, were on the table last week. I hope you had a look at them. There are more available this week to assist in growing our membership.

Tonight we welcome Mr Paul Anderson, CEO of Gosford City, to talk about changes and future plans for our City.

Next week we have PDG Harold Sharpe, of District 9685 Committee, talking to us about Membership Development.

The following week we visit The BWSC Agriculture Farm, accessing via the Ryans Road Entrance, arriving at 5.30 PM. A great opportunity to bring friends and business associates who may be interested. Because of new school rules alcohol is not permitted.

Yours in Rotary Service,

SOMETHING I DID NOT KNOW BUT IS VERY
USEFUL......

ATM PIN Number Reversal - Good to Know!!

If you should ever be forced by a robber to withdraw money from an ATM machine, you can notify the police by entering your PIN in reverse.

For example, if your pin number is 1234, then you would put in 4321. The ATM system recognizes that your PIN number is backwards from the ATM card you placed in the machine. The machine will still give you the money you requested, but unknown to the robber, the police will be immediately dispatched to the location. All ATM's carry this emergency sequencer by law.

This information was recently broadcast on Crime Stoppers however it is seldom used because people just don't know about it.

Please pass this along to everyone. This is the kind of information people don't mind receiving, so pass it on to your family and friends.

In our endeavour to raise funds for our community and overseas projects our club has been able to secure working on BBQ's at Bunnings Umina & West Gosford as well as Masters on Saturdays of every month. For this to be fair to all concerned we have established a roster for all the dates we have been allocated. At the Umina 3 members will be needed to run the BBQ, However at Bunnings and Masters at West Gosford 5 members will be needed. The captain is responsible for organising the commodities, team members and the float, the second in charge and the 3rd in charge are part of the participating team. The 3rd in charge has the responsibility of taking everything home, cleaning all utensils and posting a stock take for the following Captain. If however either the Captain, 2nd in charge or the 3rd in charge are unable to attend there are 2 reserves to substitute, West Gosford stores are an exception when all 5 members will be needed. It would be respectful for Captain to notify Rod of any changes. Condiments for Umina are, 20 loafs of bread, 200 sausages, 40 brown onions, 2- tomatoes + 1 BBQ + 1 Mustard sauces 48 mixed drinks, 200 Serviettes.
