President's Report

There was no Rod last week. We all hope you are feeling better, buddy, and I hope you are back this week, because you take much better notes than any of us!!

Quick note on the meeting, it was a club assembly, well I was thinking about this meeting all week, few directors away, no growth in membership, am I fulfilling the needs of the club, why aren't we bringing along guests, are the meetings going over time by too long and of course is the food ok, etc. Well as I forgot there is a couple hundred years of experience in YOUR CLUB and the member, who were present made it clear - Communication is the route cause.

Its so simple its the backbone of every business and organisation if the team doesn't feel like they know about what the clubs direction then how can we be excited and if we aren't excited then we probably aren't saying to others WOW you should see what we are doing at Umina MY CLUB, the Rotary Club of Umina Beach.

This lead into a discussion about the Bladder scanner, which has been mentioned at meetings for a few weeks prior but this time, there was a real passion, we decided as a club that this is a great project and that Geoff has done a lot of work to already secure a district grant discounts on the scanner itself as well as offering a prize, if a member is able to organise a raffle. Any takers come see me or call me.

We also decided that we need to start promoting our club more - make an achievements page and ask to businesses houses, if we can place in their windows and lets really use this opportunity with the Bladder scanner, to get the word out about us.

It was also noted that each month there will be a summary of the Board meeting minutes forwarded onto members so that we can have some more transparency.

WOW - what an awesome Club assembly - I think I want to have one each week!!

Last meeting was --

Leave of Absence Martin Vine-- But was present in person.

Our last meeting was Club Assembly

The meeting was a Club Assembly

The meeting opened with Peter Doherty singing The Rotary Grace
(Well ! Something different)

The fine session was run by Pat Lewis by entertaining the meeting with some good fines. (As usual)

Martin Vine came back as a visitor and spoke to the Meeting about what has been happening with his family over the last few years. His renewed effort will be to rebuild their home in Umina (That seems to fit in with the Martin Vine, we know, and maybe we will get his active attendance)

Shane Johnson Spoke about some of our Projects, mainly to focus on attracting new members and concentrating on each member inviting a guest or even past members to an appropriate meeting but the majority of the discussion was concentrated on the Bladder Scan project. (BOY oh BOY! what a great project if we can keep multiplying outside interest too.) To summarise Total cost is \$7,645 – Club has already given \$2,000 to PVL (Cashed in June by PV) and \$1,250 being 50 % of District Grant has been received by Club–possible Federal Government grant being investigated. Other interest centered on a question from the meeting about malaria nets and Ian Figtree stated that he was still considering that from current funds. It seems Rouel is obtaining increase in health speaking projects such as Gosford Club 10th Sept and Kariong Somersby 2nd Oct.. Suggested that such events could be supported with another club member in company. The club is purchasing 10 extra aprons and 10 money boxes. This makes me think I should be giving some figures on money box collections and BBQ Result. The meeting closed 8..20 PM

Received a summary of Key Issues from Board meeting 24th August.

Dealt with 1. Bladder Scanner 2. Financial position and the sum of \$7,400 raised for aborted international PNG project and an appropriate area for distribution, to such as, maybe, St Judes or Noble Endeavours 3. To date \$384.50 Money boxes BBQ profit from Masters Gosford. \$645.00

Our last meeting was Club Assembly

Other matters looked at were Constitution and By-laws,--Children Checks--Club's 40th birthday---Centurions -- Membership--Aprons---Hat Day--Visit of Karla Castellanos Rotary Peace Scholar 4th Nov--Youth in forms of BWSC Agfarm with Access road, Farmers Market, Sponsorships, Bursary.--- Fundraising via BBQ Money Boxes Etc -- Bulletin advertising --Various special functions with other clubs. With all that and thinking I was not having photos of meeting I filled space with a few previous photos for reminders, but with photos now to hand, I've decided to retain them all, even if crammed together.

4 photos just received of Assembly night. L. Pres and Sec.. Martin Vine making himself at home and allowing the new members to gain some understanding of his enthusiasm. Also a group at table and three BBQ workers doing "what comes naturally at Bunnings."

LATEST ROSTER FOR BBQS

Advise Robert Meyer if changes needed

25th August BBQ Takings \$1198 Costs \$540 Profit \$657 Stock on Hand \$140
 5th Sept BBQ Takings \$1259.85 Costs \$485.85 Profit \$774 Stock on Hand
 Counter Boxes \$384.50 to 15th Aug Is it time to collect?

In our endeavour to raise funds for our community and overseas projects our club has been able to secure working on BBQ's at Bunnings Umina & West Gosford on Saturdays & Sunday Bi monthly. For this to be fair to all concerned we have established a roster for all the dates we have been allocated. At the Umina 3 members will be needed to run the BBQ, However at Bunnings at West Gosford 5 members will be needed. The captain is responsible for organising the commodities, team members and the float, the second in charge and the 3rd in charge are part of the participating team. The 3rd in charge has the responsibility of taking everything home, cleaning all utensils and posting a stock take for the following Captain. If however either the Captain, 2nd in charge or the 3rd in charge are unable to attend there are 2 reserves to substitute, West Gosford stores are an exception when all 5 members will be needed. It would be respectful for Captain to notify Rod of any changes. Condiments for Saturday at Umina, 250 bread rolls, 250 sausages, 10Kgs brown onions, 2 x 500ml - tomatoes + 1x 500ml BBQ + 1 x 500ml Mustard sauces, 60 mixed drinks including water, 3 x rolls Paper Towles, Sunday 20% less At end of weekend, afternoon captain to send list of left over to Robert Meyer or Next Captain.

NOTE: 20th Dec reserves are included to work at Bunnings West Gosford

ROGUE'S CORNER ---

My Intention was to classify and emphasis our counter money boxes, as our Robin Hood "robbing from the rich to give to the poor" theme but Martin Vine came to our meeting and upset our thinking. So he is positioned.
